## Get Placed and Pay Later Program

(Not for our Job Guarantee Program Students)

### About this Program:

This unique opportunity allows candidates to associate with us for **3 months** (extendable upon request) with minimal formalities. If you **already have strong technical and communication skills**, this program is perfect for you.

However, if you're still developing these skills, we highly recommend enrolling in our **100% Job Guarantee Courses**, where we provide focused training and support.
